

Independent Auditors' Report

To,
The Members of
M/s. Indraprastha Metropolitan Development Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS financial statements of **M/s. Indraprastha Metropolitan Development Limited ("the Company")**, which comprise the balance sheet as at 31st March, 2022 and the Statement of profit and loss (including other comprehensive income), the cash flow statement and statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its loss for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Ind AS financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Ind AS financial statements.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors and Management is responsible for the preparation of the other information. The other information comprises the information included in the company's annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Emphasis of Matter

We draw attention to the following matters in the Notes to the financial statements:

- a) Note 14 to the financial statements reason for not accruing the interest of Rs 6900 thousands for the year ended March 31, 2022 (Rs. 53378 thousands upto March 31, 2022 and Rs. 46478 thousands upto March 31, 2021), calculation based on basic rate of interest as per terms of the loan on borrowing of Rs. 57500 thousands.

Our opinion is not modified in respect of above matter.

- b) Note 1 to the Financial Statements related to the liquidation under going concern ordered by National Company Law Tribunal (NCLT) of the Ultimate Holding Company (Punj Lloyd Limited) dated 27th May, 2022.

Our opinion is not modified in respect of above matter.

Material Uncertainty Related to Going Concern

We draw your attention to Note No 1, 4 & 14 in the financial statements of the company. The company under its assets had Capital WIP amounting to Rs. 792073 thousands for Delhi Police project. Company has also advanced Rs. 95325 thousands to EPC contractor Punj Lloyd Limited (under Liquidation). The Company has written off CWIP and advance give to EPC contractor.

These conditions, along with other matters as set forth in above notes mentioned indicate an existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance(including other comprehensive income), statement of changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS financial statement that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the Financial Statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure "A"**, a statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of written representations received from the directors as on 31st March, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**". Our report expresses an unmodified opinion on the accuracy and operating effectiveness of the Company's internal financial control over financial reporting.
 - g) In our opinion, nil managerial remuneration for the year ended 31st March, 2022, has been paid / provided by the Company to its directors.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations, which would impact its financial position.
 - ii) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund by the Company.
 - iv) a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have

been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

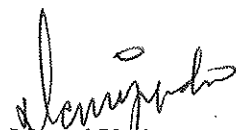

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (a) and (b) contain any material mis-statement.

- v) The company has not declared or paid dividend during the year, therefore the provisions of Section 123 of the Act are not applicable.

ANNEXURE 'A' to Independent Auditor's Report

The Annexure referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' of our report of even date:

Re: Indraprastha Metropolitan Development Limited

- i. a) The company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets;
- b) The Fixed Assets have been physically verified by the management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
- c) The title deeds of immovable properties are held in the name of the company.
- d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder
- ii. The Company does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said Order are not applicable to the Company.
- iii. According to the information and explanations given to us, the company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, clauses 3(iii)(a) to (f) of the Order are not applicable.
- iv. According to the information and explanations given to us, the company has not given any loan, investments, guarantee and security to and on behalf of any of its Directors as stipulated under section 185 and section 186 of the Act. Therefore, clause (iv) of paragraph 3 of the Order is not applicable
- v. The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73, 74, 75 & 76 of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- vi. To the best of our knowledge and as explained, the Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act, for any of the service rendered by the Company.
- vii. a) The company is regular in depositing with appropriate authorities undisputed statutory dues applicable to it.

According to the information and explanations given to us, there are no undisputed statutory dues outstanding as at 31st March, 2022 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, there are no material statutory dues which have not been deposited on account of any dispute.
- viii. According to information and explanations given to us there were no transactions that were not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. In our opinion and according to the information and explanations given to us and based on our examination of books of accounts and related records, the Company has defaulted in repayment of dues to its financier as disclosed below. In view of default, long term borrowings became current liabilities and disclosed in the Balance Sheet accordingly. The company did not have any outstanding dues in respect of debentures during the year.

(a) The Company has defaulted in the repayment of the dues to financial institutions/banks as per table below.

Nature of borrowing including debt securities	Name of Lender	Amount not paid on due date	Whether principal or interest	No. of days delay or unpaid	Remarks
Term Loan	L&T Finance Limited (Formerly L&T Fincorp Limited)	Rs.57500 thousands	Principal Outstanding	Disbursed on 01.10.2014 Rs. 300,00,000 30.12.2014 Rs. 275,00,000	Days of delay could not be calculated, since the project for which fund was raised was held up after initial disbursement of Rs 5.75 Cr.

- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) On an overall examination of the financial statements of the Company, the term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. According to the records of the company examined by us and the information and explanations given to us, during the year company has not raised any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year, hence clause (x)(a) of paragraph 3 of the Orders not applicable. The company has not made any preferential allotment or private placement of shares or convertible

debentures (fully, partially or optionally convertible) during the year, hence clause (x)(b) of paragraph 3 of the Orders not applicable.

- xi. Based upon the audit procedures performed and information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year under audit. There was no report filed in Form ADT-4 by the auditors also there were complaints from whistle blower during the year.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company hence clause (xii) (a) to (c) of paragraph 3 of the Order regarding default is not applicable.
- xiii. In our Opinion and according to the information and explanations given to us the company's transactions with its related party are in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable and details of related party transactions have been disclosed in the standalone Ind AS financial statement etc as required by the applicable accounting standards.
- xiv. According to the information and explanations given to us, the internal audit is not applicable in case of the company, hence clause 3(xiv) of the order is not applicable in case of the company.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Therefore, provisions of clause (xv) of paragraph 3 of the Order are not applicable.
- xvi. (a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable. According to the information and explanations provided to us by the management, the Company has not paid / provided for any managerial remuneration during the year as stipulated to section 197 read with schedule V to the Companies Act, hence clause (xi) of paragraph 3 of the Order is not applicable.
- xvii. The company has incurred cash losses in the financial year and in the immediately preceding financial year and the amount such cash loss is Rs. 55 thousand in current financial year and Rs. 62 thousands in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, considering para on **Emphasis of Matter and Material Uncertainty Related to Going Concern** in our audit report causes us to believe that material uncertainty exists as on the date of the audit report that Company may not be able to meet its

liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

- xx. According to the information and explanations given to us and based on our examination of the records of the Company, Section 135 of the Companies Act, 2013 for Corporate Social Responsibility is not applicable to the company. Therefore, provisions of clause (xx)(a) and (b) of paragraph 3 of the Order are not applicable.
- xxi. Since this is report on standalone financial statements of the company, therefore, consideration of qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements does not arise. The provisions of clause (xxi) of paragraph 3 of the Order is not applicable.

ANNEXURE B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s. Indraprastha Metropolitan Development Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting with reference to these Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

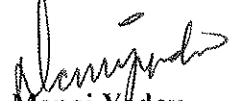

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Financial Statements and such internal financial controls over financial reporting with reference to these Financial Statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

	25	25

13. Earnings Per Share

	As at March 31, 2022	As at March 31, 2021
Calculation of weighted average number of equity shares of Rs. 10 each		
Number of equity shares at the beginning of the year	50	50
Equity shares at the end of the year	50	50
Weighted average number of equity shares outstanding during the year	50	50
Net loss after tax available for equity share holders (Rs.)	(887,454)	(62)
Basic and diluted (loss)/earnings per share	(17,749.07)	(1.25)
Nominal value of share (Rs.)	10	10

14. During the year the company has incurred loss after tax of Rs. 887454 thousands (previous year Rs. 62 thousands) resulting in accumulated loss of Rs. 892058 thousands (previous year Rs. 4604 thousands) as at March 31, 2022. These accumulated losses completely eroded the net worth of the company. The Owner Delhi police terminated the contract on 04/03/2021 and subsequently on request of IMDL and as per the provisions of Concession agreement a Conciliation Process was started as per article 39 of Concession agreement but despite of several round of sittings and deliberations none of the parties arrived in a settled position. Since both parties insisted on their claims and not ready for reconciliation so accordingly Final order of conciliation process passed by Delhi Police on 20/04/2022 without any logical conclusions. Hence, the Company necessary adjustments has been made in books of accounts.

15. Segment Reporting

Considering the nature of company's business and operations, there are no separate reportable segment (business or/and geographical) in accordance with the requirement of Ind AS 108 "Operating Segment" and hence there are no additional disclosure required.

16. Related party disclosures

A. Names of related parties and related party relationship

17 - Fair Value

Set out below, is a comparison by class of the carrying amounts and fair values of the Company's financial instruments, other than those with carrying amounts that are reasonable approximation of fair value.

Description	Carrying Value		Fair Value	
	Mar-21	Mar-20	Mar-21	Mar-20
Financial Assets				
Fair value through OCI Financial Investments	-	-	-	-
Total	-	-	-	-

The management assessed that cash and cash equivalents, trade payables, borrowings and other current liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values.

The fair value of quoted financial investments are based on price quotations at the reporting date. The fair value of equity instruments is also sensitive to a reasonably possible change in the growth rates. The valuation requires management to use unobservable inputs in the model, of which the significant unobservable inputs are disclosed in the tables below. The management regularly assesses a range of reasonable alternatives for those significant unobservable inputs and determines their impact on the total fair value.

The fair value of unquoted equity shares have been estimated using book value model by the expert valuer. The valuation requires the valuer to make certain assumptions about the model inputs. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments.

18 - Fair Hierarchy

The following table provides the fair value measurement hierarchy of the Companies assets and liabilities.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2022

Assets for which fair values are disclosed	Fair value measurement using			
	Total	Quoted price in active market	Significant observable inputs	Significant Unobservable
As at March 31, 2022				
Non Current Investments - Quoted	-	-	-	-
Non Current Investments - Unquoted	-	-	-	-
As at March 31, 2021				
Non Current Investments	-	-	-	-

19 - Financial risk management objectives and policies

Exposure to credit, interest rate, foreign currency risk and liquidity risk arises in the normal course of the Company's business. The Company has risk management policies which set out its overall business strategies, its tolerance or risk and its general risk management philosophy and has established processes to monitor and control the hedging of transactions in a timely and accurate manner. Such policies are reviewed by the management with sufficient regularity to ensure that the Company's policy guidelines are adhered to.

The management reviews and agrees policies for managing each of these risks, which are summarized below.

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under financial instrument or customer contract, leading to financial loss. The company is exposed to credit risk mainly from its operating activities i.e. trade receivable.

With respect to credit risk arising from the other financial assets of the Group, which comprise cash and cash equivalents and other receivables (including related party balances), the Group's exposure to credit risk arises from default of the counterparty, with a maximum exposure equal to the carrying amount of these instruments.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in the market price. The only financial instruments affected by market risk is non current investments.

Interest rate risk

Interest rate risk is the risk that the fair value of a financial instrument will fluctuate because of changes in the market interest rate. The Company's exposure to the risk of changes in market interest rates related primarily to the Companies long term debt obligation with floating interest rate. As on March 31, 2022 the Company does not have any bank borrowing at floating interest rate.

19 - Capital Management

For the purpose of the company's capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the parent. The primary objective of the company's capital management is to maximise the shareholders value.

The company manages its capital structure and makes adjustment in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The company monitors capital using a gearing ratio, which is net debts divided by total capital plus net debt. The company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

	Mar-22	Mar-21
Long term borrowings	792,093	791,993
Trade payables	38	40
Other Payables	45,999	45,999
Less:		
Cash and cash equivalents	(100)	(57)
Net Debts	838,030	837,975
Equity	(891,558)	(4,104)
Capital & net debts	(53,528)	833,871
Gearing Ratio	-1566%	100%

20. The Micro and Small Enterprises have been identified by the Company from the available information, according to such identification, there were no dues to Micro and Small Enterprise that are reportable as per Micro, Small and Medium Enterprise Development Act, 2006 outstanding as at March 31, 2022.

21. Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) Rs.NIL/- (previous year - Rs.12369 thousands)

22. In the opinion of the management, the current assets, loan and advances appearing in the balance sheet have a value equivalent to the amount stated therein if realized during the ordinary course of business and all known liabilities have been provided.

23. The figures for the corresponding previous year have been regrouped/reclassified wherever necessary, to make them comparable.

1. Corporate Information

Indraprastha Metropolitan Development Limited (the Company) is a public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company has been incorporated as a Special Purpose Vehicle (SPV) with the main object to develop, construct, build and deliver a Police Residential Complex comprising of residential and non residential zones, common infrastructure and facilities at Dheerpur, Delhi of Delhi Police, Ministry of Home Affairs, Government of India on design, build, finance, operate and transfer (DBFOT) basis and undertake its operation and maintenance.

Corporate Insolvency Resolution Process (CIRP) for Punj Lloyd Limited (The Ultimate Holding Company) under the insolvency and bankruptcy code, 2016 (IBC) has commenced with effect from March 08, 2019. Mr. Gaurav Gupta, Interim Resolution Professional (IRP) was appointed by Hon'ble National Law Tribunal (NCLT), Principal Bench, New Delhi vide its order dated March 08, 2019. Subsequently NCLT vide its order CA-971(PB)/2019 dated May 22, 2019 has appointed Mr. Ashwini Mehra as Resolution Professional (RP) and have taken over from IRP on May 27, 2019. Under CIRP, the powers of the Board of Directors of ultimate holding Company stand suspended. During the COC meeting held on March 30, 2021 in terms of Regulation 19 of IBC, the RP informed that the resolution plan which was put to E-vote under Corporate Insolvency Resolution Process of the Holding Company has not been approved by the COC members. Accordingly, the Holding Company is headed towards liquidation, and the COC members have recommended liquidation of the Holding Company as a going concern and that they will also simultaneously consider a scheme of arrangement under section 230 of the Companies Act, 2013, if any is presented. Necessary application in this regard has been filed by the RP with Hon'ble NCLT which has been accepted by the NCLT. Accordingly vide order dated 27th May, 2022, NCLT has ordered for the liquidation of Punj Lloyd Limited as a going concern and appointed Mr. Ashwini Mehra as the Liquidator.

2. Significant accounting policies

(a) Basis of preparation

(i) Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

Standalone Ind-AS Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013.

Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at 31 March, 2022, the Statement of Profit and Loss for the year ended 31 March 2022, the Statement of Cash Flows for the year ended 31 March 2022 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Standalone Ind-AS Financial Statements').

These Standalone Ind-AS Financial Statements are approved for issue by the Board of Directors on October 17, 2022.

(ii) Basis of preparation of financial statements

These Standalone Ind-AS Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on an accrual basis as per provisions of the Companies Act, 2013 ("the Act"), except for:

Indraprastha Metropolitan Development Limited

Standalone notes to financial statements for the year ended March 31, 2022

- certain financial assets and liabilities (including derivative instruments) that are measured at fair value;
- certain items of property, plant and equipments which have been fair valued on the transition date

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Standalone Ind-AS Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency, unless otherwise stated.

b) Property, plant and equipment

Property, plant and equipment, excluding freehold land, but including capital work-in-progress are stated at cost, less accumulated depreciation and impairment losses, if any. Freehold land is carried at historical cost. The cost includes the purchase price and expenditure that is directly attributable to bringing the asset to its working condition for the intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repair and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

The Company adjusts exchange differences arising on translation/settlement of long-term foreign currency monetary items pertaining to the acquisition of a depreciable asset to the cost of the asset and depreciates the same over the remaining life of the asset. In accordance with Ministry of Corporate Affairs ("MCA") circular dated August 09, 2012, exchange differences adjusted to the cost of tangible assets are total differences, arising on long-term foreign currency monetary items pertaining to the acquisition of a depreciable asset, for the period. In other words, the Company does not differentiate between exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost and other exchange differences.

Depreciation method, estimated useful lives and de-recognition

Depreciation is calculated using the straight-line method to allocate the cost, net of the residual values, over the estimated useful lives as follows:

Asset Description	Useful lives (years)
Plant and equipment	3 – 20
Furniture and fixtures, office equipments and tools	3 – 20
Vehicles	3 – 10

The property, plant and equipment acquired under finance leases, including assets acquired under sale and lease back transactions, is depreciated over the shorter of the asset's useful life and the lease term, if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use thereof. Any gain or loss arising on de-recognition of the assets, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognized in the statement of profit and loss when the asset is derecognized.

The useful lives, residual values and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively.

(c) Intangible assets

Intangible assets are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

Development expenditures are recognized as an intangible asset when the Company is able to demonstrate:

- the technical feasibility of completing the intangible asset so that the asset will be available for use
- its intention to complete and its ability and intention to use or sell the asset
- how the asset will generate future economic benefits
- the availability of resources to complete the asset
- the ability to measure reliably the expenditure during development

The Company amortizes intangible assets with finite lives using the straight-line method over the period of licenses or based on the nature and estimated useful economic life, i.e., six years, whichever is lower.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The amortization period and the method is reviewed at each financial year end and adjusted prospectively.

(d) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's CGU to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/ forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries or countries in which the Company operates, or for the market in which the asset is used.

Indraprastha Metropolitan Development Limited

Standalone notes to financial statements for the year ended March 31, 2022

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been, had no impairment loss been recognized. Such reversal is recognized in the statement of profit and loss.

(e) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are exclusive of taxes or duties collected on behalf of third parties. The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that the economic benefits will flow to the Company and specific criteria, as described below, are met for each of the Company's activities.

a) Contract revenue associated with long term construction contracts is recognized as revenue by reference to the stage of completion of the contract at the balance sheet date. The stage of completion of project is determined by the proportion that contracts costs incurred for the work performed up to the balance sheet date bear to the estimated total contract costs. However, profit is not recognized unless there is reasonable progress on the contract. If total cost of a contract, based on technical and other estimates, is estimated to exceed the total contract revenue, the foreseeable loss is provided for. The effect of any adjustment arising from revisions to estimates is included in the statement of profit and loss of the year in which revisions are made. Contract revenue earned in excess of billing is classified as "Unbilled revenue (work-in-progress)" and billing in excess of contract revenue is classified under "Other liabilities" in the financial statements. Claims on construction contracts are included based on Management's estimate of the probability that they will result in additional revenue, they are capable of being reliably measured, there is a reasonable basis to support the claim and that such claims would be admitted either wholly or in part. The Company assesses the carrying value of various claims periodically, and makes adjustments for any unrecoverable amount arising from the legal and arbitration proceedings that they may be involved in from time to time. Insurance claims are accounted for on acceptance/settlement with insurers.

b) Interest income from debt instruments is recognized using the effective interest rate method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the EIR, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

(f) Borrowing costs

Borrowing costs directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that are incurred in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(g) Foreign currencies

i). Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupee (INR), which is Company's functional and presentation currency.

ii). Transaction and balances

Transactions in foreign currencies are initially recorded in the functional currency using the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences resulting from the settlement or translation of such transactions are generally recognized in profit or loss, except the following:

- a. Exchange differences are deferred in equity if they are attributable to part of the net investment in a foreign operation. They are recognized initially in other comprehensive income (OCI) and reclassified to statement of profit and loss on disposal of the net investment, as part of gain or loss on disposal.
- b. Exchange differences arising on long-term foreign currency monetary items (recognized upto 31 March 2016), related to acquisition of a depreciable asset are capitalized and depreciated over the remaining useful life of the asset.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively).

iii). Translation of foreign operations

The results and financial position of foreign operations that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- Assets and liabilities are translated at the closing rate of exchange at the reporting date,
- Income and expenses are translated at quarterly average exchange rates (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the dates of the transaction), and
- All resulting exchange differences are recognized in OCI.

On disposal of a foreign operation, the component of OCI relating to that particular foreign operation is recognized in profit or loss.

Cumulative currency translation differences for all foreign operations are deemed to be zero at the date of transition, i.e. 01 April 2015. Gain or loss on a subsequent disposal of any foreign operation excludes translation differences that arose before the date of transition but comprises only translation differences arising after the transition date.

(h) Financial instruments

Financial Instruments (assets and liabilities) are recognized when the Company becomes a party to a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, other than those designated as fair value through profit or loss (FVTPL), are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognized immediately in statement of profit and loss.

a. Financial assets

(i). Subsequent measurement

Subsequent measurement depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its financial assets.

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost using the Effective Interest Rate (EIR) method. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss.
- **Fair value through other comprehensive income (FVTOCI):** The Company has investments which are not held for trading. The Company has elected an irrevocable option to present the subsequent changes in fair values of such investments in other comprehensive income. Amounts recognized in OCI are not subsequently reclassified to the statement of profit and loss.
- **Fair value through profit and loss (FVTPL):** FVTPL is a residual category for financial assets in the nature of debt instruments. Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. This category also includes derivative financial instruments, if any, entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

(ii). Impairment of financial assets

The Company applies Ind AS 109 for recognizing impairment losses using Expected Credit Loss (ECL) model. Impairment is recognized for all financial assets subsequent to initial recognition, other than financial assets in FVTPL category. The impairment losses and reversals are recognized in statement of profit and loss.

(iii). De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or the same are transferred.

b. Financial liabilities

(i). Subsequent measurement

There are two measurement categories into which the Company classifies its financial liabilities.

- **Amortised cost:** After initial recognition, interest-bearing borrowings and other payables are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.
- **Financial liabilities at FVTPL:** Financial liabilities are classified as FVTPL when the financial liabilities are held for trading or are designated as FVTPL on initial recognition. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the profit or loss.

(ii). De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires.

c. Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

(i) Fair value measurement

The fair value of an asset or liability is measured using the assumption that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Where fair value is based on quoted prices from active market.

Level 2 – Where fair value is based on significant direct or indirect observable market inputs.

Level 3 – Where fair value is based on one or more significant input that is not based on observable market data.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfer is required between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) (a) on the date of the event or change in circumstances or (b) at the end of each reporting period.

(j) Income taxes

Income tax comprises current income tax and deferred tax. The income tax expense or credit for the year is the tax payable on the current year's taxable income, based on the applicable income tax rate for each jurisdiction where the Company operates, adjusted by changes in deferred tax assets and liabilities attributed to temporary differences and to unused tax losses.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the tax authorities, using the tax rates and tax laws that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generate taxable income.

Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates and tax laws that have been enacted or substantively enacted by the end of reporting period and are expected to apply when the related deferred tax asset is realized or the deferred tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses, only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set-off current tax assets against liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the statement of profit or loss, except to the extent that it relates to items recognized in OCI or directly in equity. In this case, the tax is recognized in OCI or directly in equity, respectively.

(k) Segment reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(l) Earnings per share

Basic earnings per share is calculated by dividing the profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the financial year, adjusted for the events such as bonus issue, share split or otherwise that have changed the number of equity shares outstanding without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the profit or loss attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(m) Cash and cash equivalents

Cash and cash equivalents, for the purposes of cash flow statement, comprise cash on hand, demand deposits, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(n) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. A disclosure is made for a contingent liability when there is a:

- a). possible obligation, the existence of which will be confirmed by the occurrence/non-occurrence of one or more uncertain events, not fully within the control of the Company;
- b). present obligation, where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation;
- c). present obligation, where a reliable estimate cannot be made.

(o) Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the effect of the time value of money is expected to be material, provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as interest expense.

(p) Operating cycle

The operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents and the management considers this to be the project period.

(q) Measurement of EBITDA

As permitted by the Guidance Note on the Division II of Schedule III to the Companies Act, 2013, the Company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. In its measurement, the Company does not include depreciation and amortization expense, finance costs and tax expense.

(r) Current and Non-Current Classification:

The Company presents assets and liabilities in the Balance Sheet based on Current/Non-Current classification.

An Asset is classified as Current when it is –

- Expected to be realized or intended for sale or consumption in, the Company's normal operating cycle;
- Held primarily for the purpose of trading;

Indraprastha Metropolitan Development Limited
Standalone notes to financial statements for the year ended March 31, 2022

All other assets are classified as non-current.

A liability is classified as current when it is:

- Expected to be settled in normal operating cycle;
- Held primarily for the purpose of trading.
- It is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current only.

(aa). Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(ab) Significant accounting judgements, estimates and assumptions:

The preparation of financial statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future period.

(a) Critical estimates and judgements

In applying the accounting policies, following are the items/ areas that involved a higher degree of judgement or complexity and which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

(b) Fair valuation of unlisted securities:

The fair value of financial instruments that are not traded in an active market is determined using internationally accepted valuation principles. The inputs to these valuations are taken from observable markets wherever possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as discount rates, liquidity risk, credit risk, earning growth factors and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(c) Revenue recognition:

The Company uses the percentage-of-completion method (POCM) in accounting for its long term construction contracts. Use of POCM requires the Company to estimate the total cost to complete a contract. Changes in the factors underlying the estimation of the total contract cost could affect the amount of revenue recognized.

(d) Impairment of financial assets:

The Company basis the impairment provisions for financial assets on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculations, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(e) Impairment of non-financial assets:

Non-financial assets are reviewed for impairment, whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). The recoverable amount is sensitive to inputs like discount rate, expected future cash-inflows and growth rate used for extrapolation purposes.

(f) Taxes:

Deferred tax assets are recognized for unused tax losses and unabsorbed depreciation to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax asset that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

The Company neither has any taxable temporary difference nor any tax planning opportunities available that could support the recognition of unused tax losses and unabsorbed depreciation as deferred tax assets. On this basis, the Company has accounted for deferred tax assets on temporary differences, including unabsorbed depreciation and business losses, for which it is reasonably certain that future taxable income would be generated.

(g) Recoverability of Trade Receivables:

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

(ac) Others

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on November 13, 2020, and invited suggestions from stakeholders which are under consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified. The Company will give appropriate impact in its financial statements in the period in which the Code becomes effective and the related rules to determine the financial impact are published.

(ad) Global Health Pandemic on COVID19:

The Company has taken into account all the possible impacts of COVID-19 in preparation of these standalone financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue recognition owing to changes in cost budgets of fixed price contracts. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these standalone financial statements and believes that the impact of COVID-19 is not material to these standalone financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the standalone financial statements may differ from that estimated as at the date of approval of these standalone financial statements owing to the nature and duration of COVID-19.

(ae) Recent accounting pronouncements:

Ministry of Corporate Affairs ('MCA') notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022 as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that no qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead an entity will recognize such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 – Onerous Contracts – Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS-109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognize a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 116 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolved any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendments to have any significant impact in its financial statements.
