## **About Punj Lloyd:**

Punj Lloyd is a multifaceted player present across various sectors and is amongst the largest engineering and construction companies in India providing integrated design, engineering, procurement, construction and project management services for energy and infrastructure sectors. Operations are spread across many regions in the Middle East, Caspian, Asia Pacific, Africa, South Asia, Europe and China.

The Company's acquisition of Sembawang Engineers & Constructors Ltd., Singapore and Simon Carves U.K has enabled it significantly expand its global presence and portfolio of offerings. The acquisition has added to its gamut of services especially in the infrastructure domain. The Company is now also pre-qualified for larger and more complex project bids. With this acquisition the Company is on its way to becoming one of the top global EPC companies.

Punj Lloyds's overall capabilities now include hi-spec buildings, jetties, tunneling, airports, MRT/LRT and plant relocation solutions among others. With a presence across more than 16 countries, Punj Lloyd has also executed many projects: onshore and offshore pipelines, cryogenic tanks and terminals, process plants, highways, bridges, railways and infrastructure services, plant & facility management and power plants.

The Company has also entered into joint ventures in Saudi Arabia, Germany and with Swissport International, all of which further enhance its scale and competitive position globally.

The services provided by the group as a whole are complementary to each other and present the group as an integrated EPC service provider engineering value across the globe.
