ONSHORE DRILLING RIGS

As comfortable in offshore terrain as onshore, we plan our EPC projects to perfection, delivering with exceptional ease where others fear to tread. Our fleet of brand new US built 1500 HP Onshore Rigs can drill up to 5,000 m of depth and have struck oil in the rich fields of Libya.

Our team of 15,000 multicultural professionals across 16 international offices, seamlessly delivers global projects in energy, infrastructure and defence.

Whatever the terrain, wherever the challenge, we get it done. The Punj Lloyd Way.
